Who was behind him?(Satya) Also Manan Sanghi was also acting weird especially when I moved to Lakes Apartment, he used to say TRIE TRIE. No Good Bye. Say i asked DR.HOLD(h)ER. Joyce, If u think u have done wrong and wish to execute yourself, it is your path, but do your duty right. R u sure Ryan can play ball....Bears Diane Bike....Think peacefully? You signed the letter to kick me out of the country and no one gave me a job, and at the end sympathy to call me back from k(aa)nsas in 2012 and fuck me(by u r controller), why did clouds photos come and what did they tell me...not abigail talking photos. Game by u r colors was to kick me out and make me look bad. Have fun with Gabby not Gigl from kdd.
