Sri Vikramaditya Reddy Jakkula, who was working with me prior to leaving U.S during the end of 2015 has approached for a reference to Suchitra Academy International School, Qutubullapur, Hyderabad, towards his application for ICT Manager.

I have observed Vikramaditya's analytical skills and aptitude at a close range during the times of both opportunity and challenge periods while he was working with me. I have a pleasure to suggest his application for consideration among the potential candidates.

If given a chance to work in your institution, Vikramadithya will prove himself worthy of his selection.

I wish him all the success in his future endeavors.
